THERE IS A NEED

Did you know that there are over 20 million teens in the United States? And almost 14 million of them have never had a born-again experience?

There's no question about it. There are more teenagers alive today who need Jesus than at any other time in history. A realization must occur that the teenagers of this generation are in need. They are in need of purpose. They are in need of hope. They are in need of truth. They need Jesus Christ!

WHAT CAN YOU DO?

You can be a part of something bigger than yourself. You can be a part of a tradition of ministry that has successfully brought the love of Jesus Christ to the nations for a quarter of a century. You can make a difference the same way that hundreds of other young people before you have. You can travel this summer with New Life Drama Company!

WHAT WE DO

In 25 years, New Life Drama Company has ministered to hundreds of thousands of people through the powerful and exciting art form of sketch drama. In that time, we have had the opportunity to impact countless lives with the life-changing message of the gospel. And we want you to be a part of delivering that message!

Each summer, NLDC selects a handful of young people from all across the country to join us for the opportunity of a lifetime. The six weeks of "hands-on" ministry you experience will not only challenge you to a stronger relationship with God, but help you become more bold about your faith in Jesus Christ as well.

WHAT WILL YOU DO?

So, what are you doing this summer? If you want to be a part of what the Spirit of God is doing in the earth today, we encourage you to join us.

This is your opportunity to see the country and make lifelong friends. More importantly, though, it is your chance to change lives forever with the good news of salvation through Jesus Christ. Now is the time to begin fulfilling your destiny and have the adventure of a lifetime.
